

**Certification of Material**

May 6, 2016

Rexnord Work Order Number ..... 518254  
 Rexnord Part Number ..... 2 each ..... 600649  
 Rexnord Serial Number ..... 51825410-1 through 51825410-2  
 Rexnord Model Number ..... LRA485.338SS  
 REXNORD NV ..... P17000480

The parts called out as items in the above referenced purchase order have been manufactured from materials specified on Rexnord Industries, Inc. Addax product drawing 600649-51825410 and fabrication document MIR 490002
